

Hi Jaclyn,

Brick contractor Joe Wallace (903-263-3365) visited the site this morning and provided a verbal estimate of \$4,750.00 for the repairs.

He advised that these repairs need to be completed before Sloan Construction can pour the sidewalk. I'm following up with the City Engineer to confirm the exact date for the sidewalk work, but it seems they've been expediting projects recently, so it could be very soon.

Please let me know how you'd like to proceed.

Best Regards,
Larry Watts
