

Good afternoon, Eric,

I'm following up on my previous email regarding the requested documents. Could you please forward them to me at your earliest convenience? If any additional steps are needed to formally request these documents, kindly let me know.

Thank you.

Larry

Good afternoon, Eric,

I'm in receipt of the engineering report from the insurance company.

It is my understanding that you provided information to the engineer and insurance company regarding the damages to the property located at 303 N. Washington Avenue.

Please forward me a copy of all correspondence you submitted to the engineer, insurance company and/or Casey Sloan regarding the damages at 303 N. Washington Avenue for my file.

Thank you so much for your help in this matter.

Larry
