Reggie,

Attached to this email are the following files:

1. 300 foot radius map (image)
2. Excel spreadsheet with all properties
3. PDF of the spreadsheet

It doesn't appear to include any churches, schools, or hospitals but you may want to verify. Let me know if you need anything else.

Subject: 300' Radius

Yes sir I am needing a 300' radius around the address of 211 N. Washington Ave. (Where Central Perks was previously located). This is for a TABC application confirming no Churches, hospitals, or schools are within this radius per our city code of ordinances.

Thanks,

Reg
