This is a friendly reminder that all the materials and supplies staged\stored on the 300 and 400 blocks of N Washington in connection with the streetscape project should not be moved or displaced by anyone without prior consent from the General Contractor, Casey Slone. All the supplies\materials are the responsibility of the General Contractor until they are installed and accepted by the City and therefore must not be impacted by anyone. If for some reason you have had the need to displace\relocate any of the materials please replace any and all to their original position. Thank you.
