What is the address for this so I can get a visual of the area?

Thanks Eric.

Plans are attached for the structural grid wall that the netting would be placed behind. Let me know if you need anything else.

Good morning, Eric.

It was good seeing you last night. I wanted to follow up with you on the netting you were needing for the project with the brick wall. If you could forward me the drawings, so that I can get you an estimate for materials.

Thanks,

Nicholas Castro
