

Larry, I will get with Casey over the weekend or Monday.

We would not file a claim on your behalf without his permission.

Thanks, danny

Good afternoon Danny,

Thank you for your email, however, I'm somewhat puzzled by the context of your email.

I had a detailed conversation with your office yesterday evening regarding the damages caused by the contractor.

I kindly request your immediate assistance in expediting the claim process to prevent any further delays.

Thank you for your attention to this matter, I look forward to your prompt response.

Respectfully,
Larry Watts

Mr. Watts,

Have you spoken to Mr. Slone ?

Are you alleging a claim for yourself against Mr. Slone ?

Thanks, danny
