

Hey Larry, i wasn't able to open the images thru my yahoo email? Can you send again in a different format?

Also, can you send the estimate and timeline info at your convenience. I'll be out of town until next Saturday.

I forwarded you an email about the schedule. This guy guy is going to be our contact on the AC letter.

It says he's going to be on the block morning and afternoon.

Talk soon and have a good week. I'll get this stuff drafted when i get home.

Paige
